

O'Connell and Yokel Wrestle Tonight

BOTH MEN ARE EAGER FOR BOUT

Eddie O'Connell Arrives in Salt Lake for Match Tonight With Mike Yokel.

TWO WRESTLERS ARE VERY EVENLY MATCHED

Result of Match Is Uncertain, Owing to Skill and Condition of Both.

Full of confidence and looking fit for the battle of his life, Eddie O'Connell, the fast wrestling instructor of the Multnomah Athletic club of Portland, who wrestles Mike Yokel at the Salt Lake theater tonight for the world's welterweight championship, arrived in Salt Lake Thursday afternoon.

O'Connell has been training hard for his match with Yokel and is eager for the fray. He says he is in the best condition of his life and believes that he can win. He looks the part of a trained-to-the-minute athlete, and if appearances are any indication, he will give Yokel fully as tough a match as the one between the two a year ago.

Yokel's summer absence from the wrestling game seems not to have done him any injury. He still has his rich coat of tan acquired in romping after fractious steers on his Wyoming ranch last summer, and his muscular physique is as well developed as ever. The wrestling championship, which he won for his first time, is still there. Some one suggested that Mike can't come back. He doesn't need to. He's here. If O'Connell wins, it will be because he has developed into a better wrestler than Yokel at his best, and not because Yokel has been rusty.

The betting on the match is quite light. The Yokel men say they are willing to bet, but want even money. The O'Connell supporters are asking for odds. The supporters of each wrestler think their favorite will win, but are somewhat dubious about backing their judgment with their money.

Indications are that the match will be pulled off before a crowded house. Tickets offered for sale at the box office of the Salt Lake theater were quickly sold, and it is probable that the house will be sold for tonight. The bout promises to be an excellent one, as both are wrestlers of more than local fame.

FRANK GOTCH DECIDES TO RETURN TO MAT

MINNEAPOLIS, Minn., Dec. 1.—The lure of money is drawing Frank Gotch back to active participation in wrestling affairs. The champion practically admitted today that he would defend his title next April against the man who proves the best during the present season. He intimated that either Hackenschmidt, Mahmut or Zhyzovsk would be his opponent. Gotch weighs about 214 at present and is carrying little fat. He could get in shape in a short time.

"I have always considered Mahmut the cleverest of the foreigners who have come over here," said the champion to a friend. "Unless the Turk wins from Hackenschmidt I suppose it is up to me to take the measure of the 'Russian lion' again."

MANY HUNTERS LOSE LIVES IN CHASE

One Hundred and Thirteen Have Been Sacrificed at the Shrine of Diana.

CHICAGO, Dec. 1.—The hunting season of 1910, which closed yesterday, cost 113 lives, according to statistics from twenty-three states collected by the Tribune. This is considerably more than were killed during any previous season of which there is a record.

The loss of life in 1909 was 57; in 1908, 57; in 1907, 52; and in 1906, 74. The number of injured this season, however, is less than a year ago, only 81 having been hurt this year, against 104 for the season of 1909.

It is likely the death list this year will be considerably increased by reason of the fatal termination in the cases of many of the injured.

Michigan heads the list, with 27 killed. It is likely the death list this year will be considerably increased by reason of the fatal termination in the cases of many of the injured.

BALLOONING IS SATISFYING, AEROPLANING STIMULATING

NEW ORLEANS, Dec. 1.—"Ballooning is a barrel of beer; aeroplaning is a drink of whiskey," said Augustus Post, who, after establishing an American balloon record, came here today.

"If you are thirsty you want beer; for stimulation, whiskey," he continued. "They have been working with the balloon for 154 years. It is only within the last three or four years that much has been done to develop aeroplaning, until they have worked more than a century with the aeroplane, and we can tell where the two stand."

GREAT TROUT FISHING SEASON COMES TO CLOSE

Fred W. Chambers, state fish and game commissioner, has issued a warning against trout fishing. The lawful fishing season closed Thursday, and any person caught fishing for trout from now on until next June will be subject to arrest.

The season which has just closed was a highly successful one from a fisherman's standpoint, there being more fish caught than for several years back, and there being fewer violations of the law than during any other season on record.

NUMBER OF MOOSE IN MAINE IS DECREASING

BANGOR, Me., Dec. 1.—The open season for moose in this state closed at midnight with a low record as to the number of moose shot. Figures available to date show that but 124 moose were killed as against 175 in 1909. The high record year for moose was 1900, when 250 carcasses were shipped during the fifteen days of the open season.

The dry, warm weather of the last fortnight has not been conducive to successful hunting.

MINNESOTA WILL PROBABLY GET BIG FIELD MEET

CHICAGO, Dec. 1.—That Minnesota is practically certain to get the 1911 conference track and field meet for Northrop field was the statement made yesterday by the athletic officials of the University of Chicago. Members of the Chicago board said that the "big eight" colleges would in all probability accept the Minnesota invitation for next spring and carry the big carnival to the north.

The question of the meeting to be decided by the conference faculty representatives at Saturday's meeting here.

LEXINGTON, Ky., Dec. 1.—The final day of the autumn thoroughbred sales brought the best prices of the week. E. R. Bradley of New York bought a chestnut filly by Voter-Incarnate for \$500. C. C. Smithson of Washington paid a similar amount for a bay colt. Conter-Oberleit, and then gave \$600 for a brown colt by Voter-Midge. A black colt by Deudonne-Jess Bird was sold to W. L. UNIVERSITY BOYS MAY PLAY SOCCER

Preliminary Practice in the English Game Is Held Under Direction of Coach.

The first call for soccer men at the university was given by Coach Fred Bennion, Thursday afternoon, with the result that fifteen men showed up on the campus for the first practice. While there were not enough present to make two full teams, the fellows present, chose sides and played for an hour. This is the first attempt ever made to organize a soccer team at the university, and as many of the fellows have very little of the game, the time was spent largely in learning the rudiments of the game.

Coach Fred Bennion does not expect to make very much of a showing in the game this fall. The game is established principally to furnish outdoor exercise for students who are taking gymnastic work. None of the regular football players showed up for the soccer practice, it is expected that Bennion will continue coaching the boys in the game as long as the weather remains good, and then if he is able to get a team in shape he will try to arrange games with the local teams.

Basketball practice was abandoned Thursday afternoon, as the gymnasium is being decorated for the masque to be given this evening, and hence the basketball men are free from practice until Monday night.

GARRY HERRMANN AFTER HANS WAGNER FOR REDS

NEW YORK, Dec. 1.—Garry Herrmann and Clark Griffith have a chance to make some sort of a deal with the Pittsburgh club for the release of Hans Wagner. Ever since Barney Dreyfuss was quoted as saying that he might include Wagner in a trade the Cincinnati club has been baiting the hook. But Herrmann and Griffith cannot secure Wagner without giving up some valuable players.

Pittsburgh needs a first baseman and pitchers, so that it is not improbable that Dreyfuss, if Wagner is really on the market, will ask for Hohlitzel, Moren and one or two other players.

WILLIE HOPPE CREATES NEW WORLD'S RECORD

NEW YORK, Dec. 1.—Willie Hoppe of this city, who holds the world's championship at 18.1 and 18.2 balking billiards, created a new world's record average of 33.5-15 tonight in the first half of his 1000-point match at 18.1 balking with George Slosson, the former champion, who is the challenger.

In making the record average Hoppe ran off the first ball of 500 points in fifteen innings. The former record average was 31, made several years ago by the late Frank C. Ives, who died in Mexico in 1899.

Slosson made 207 points in fourteen innings and showed only flashes of his former brilliancy in two of his trials at the table.

Hoppe won the bank, but failed to convert the opening shot. For the first time he was the only cipher in his score. At open table play or close nursing the young player seemed to be equally effective, though many of his runs ended abruptly through seeming carelessness. He ran up over sixty points in four of his innings and had a total of 500 points in the game. The match will be concluded tomorrow night. The score:

Hoppe—6, 31, 4, 46, 64, 63, 27, 38, 21, 4, 3, 65, 27, 23, 500. Average, 33.5-15; high runs, 65, 64, 44.

Slosson—6, 7, 32, 0, 45, 4, 9, 0, 4, 25, 26, 22, 507; average, 19.1-11; high runs, 45, 32, 25.

Referee—Alfred Cutler.

WILLING TO MEET MORAN IF HE GETS ENOUGH COIN

GRAND RAPIDS, Dec. 1.—"I will meet Owen Moran any day of the month, if he gets enough coin to make a fight on February 22, one year from the day I defeated Nelson and won the lightweight championship, in my ring, provided my side of the purse is not less than \$12,500," said Ad Wolgast, in answer to the challenge of Owen Moran.

Wolgast says he sets the date so far ahead only because of his fractured arm. At first he set the time for next May.

LAWSON AND WALTHOUR PICKED TO WIN BIG RACE

Special to The Tribune.
NEW YORK, Dec. 1.—The entry list for the eighteenth annual international six-day team bicycle race, which starts Monday morning, includes 400 teams, among whom are several Californians. The Dixie-Mormon team, composed of Roy Lawson of Salt Lake and Bobbie Walthour of Atlanta is picked by many to win.

VALUABLE FARMS READY FOR INDUSTRIAL SETTLER

WASHINGTON, Dec. 1.—United States citizens desirous of engaging in farming may obtain an irrigated farm ranging in size from twenty to eighty acres free from Uncle Sam. About 400 farms are now open to entry along the several irrigation projects controlled by the government, the chief expense incurred in obtaining one of these tracts being the payment of the cost of water rights, which amounts to from \$30 to \$50 an acre of irrigable land.

The crop season of 1910 in the west emphasized the value of irrigation as a sure crop producer, says a bulletin issued by the reclamation service. "It was the best year the farmers have known on the big projects of the government, and many phenomenal crop yields are reported."

Natural Gas Explodes.

VINITA, Okla., Dec. 1.—Natural gas exploding in an undertaking parlor here this afternoon caused a fire damage of \$150,000 and the injury of four men. The Burlington hotel and two nearby buildings were destroyed, including the quarters of the P.K.s club. The men injured were struck by falling walls.

WHY THEY FAIL

MOST PILE REMEDIES MISS THE CAUSE OF PILES.

Disagreeable treatment with ointments or suppositories usually fails to cure piles and cutting them off won't remove the cause. Such treatment only moderates the outside effects of the disease and fails to remedy the inside cause. The up to date doctors now use internal medicine to free the circulation in the lower bowel, and so remove the disease.

Dr. Leonhardt's Hem-Roid, the first and only guaranteed internal pile cure—in the form of tablets—cures any kind of piles. Sold by SCHRAMM-JOHNSON, DRUGS, FIVE STORES, \$1 for large box. Dr. Leonhardt Co., Station B, Buffalo, N. Y.

Noted Gridiron Heroes May Arrange for Christmas Game in Salt Lake.
